[www.rockgranito.com](http://www.rockgranito.com)

With more than 10+ years of experience in the industry, we are a leading-edge ceramic products manufacturing company with a vision to develop and deliver outstanding surface solutions for our clients. The upward graph of the Rock Granito is the outcome of its efforts to stay ahead of time.

Our manufacturing and processing units are equipped with state-of-the-art technology, efficient processes, expert workforces, and high-tech machinery, all synergizing towards our mission to produce quality products at a competitive price while fostering a climate where environmental technologies can thrive.

At Rock Granito, we recognize that when we listen to others, we cultivate the curiosity and empathy to unlock innovation. Our people are the driving force of the business. We endeavor to leverage talent and innovation to realize our global aspirations and harness the opportunity for the young and growing India.

## EXPLORE POSSIBILITIES

Revolutionize the luxury of your life with a touch of royalty and elegance from the classic series, which has been inspired by the beauty of the contemporary era. Explore new traditions and add a new colour to your life in this modern world. The nobility of marble and the refinement of coloured veining find their perfect balance in Purity of marble. A project range complete with porcelain stoneware and white body floor tiles that uses ceramics to interpret the elegance and beauty of ten precious marbles offering today's architecture solutions for project design.

## Contemporary style that blends with the tradition of the stone

A strong character, a style of great rigor and balance: the Gray Quartzite of Forth turns out to be the ideal solution either for those who want surfaces classic, both for those who prefer a more modern mood. The refinement of the texture lends itself to offering multiple expressions of furniture, guaranteeing the best technical performance.
